Issue of Common Shares and Options

AquaBounty Technologies, Inc (AIM: ABTX), a biotechnology company focused on enhancing productivity in the aquaculture market, announces that, on 1 July 2011, it issued new common shares (Common Shares) and options to purchase new Common Shares to its non-executive directors in accordance with their service agreements with the Company.

A total of 226,586 new Common Shares of 0.1 cents each were issued to Richard Clothier, Chairman of the Board of Directors, at an effective price of 6.62 pence each. Under the terms of his service agreement with the Company, Mr. Clothier receives 73% of his compensation in the form of cash payments and 27% in the form of Common Shares. The Common Shares issued to Mr. Clothier represent his stock compensation for services provided and to be provided for the year ending 31 December 2011. Trading in the new Common Shares, which will rank *pari passu* in all respects with the existing Common Shares, is expected to commence on 18 July 2011. Following this, Mr. Clothier will hold 529,492 Common Shares, representing 0.8% of the entire issued share capital of the Company.

Under the terms of their service agreements with the Company, the other non-executive directors each receive an annual grant of options over 24,000 new Common Shares. Directors receiving this option grant are Elliot Entis, Anita Hamilton, Richard Huber, William Marcus, Eric Steiner, and David Stevens - resulting in the issuance of a total of 144,000 options. The options have a 10 year term, become vested in July 2012, and are exercisable at 11 cents per Common Share.
